

UMD Update

-
- Research:
 - Joey Kreuger, MINOS cosmic rays data analysis
 - Emily Haase, has the Cosmic Ray Muon Telescope gear at home
 - Angela Martini, working on wearable sensors from home
 - Lighter-than-air freshmen seminar development on hold this semester, hoping for spring to run as class in fall
 - High-powered rocketry competition was canceled last spring, team prepping for 2021
 - Planetarium doing virtual shows, no road trips or live shows
